Appendix A: Self-Reflection Essay Questions

Age: Gender: ... Years of teaching experience:

Degree: Field of study:

Please write a reflective essay and answer the following questions. Thanks in advance for your valuable cooperation.

1. Describe your teaching condition during Coronavirus pandemic. Do you have any special problems?
2. What are the applications and platforms you use?
3. Do you teach in synchronous mode (i.e. teachers carry out learning at certain time in a week) and/or asynchronous mode (i.e. teachers carry out online learning in a range of longer period, one week for instance)? In certain time of the week, actually three days of the week.
4. What are the activities you use in your online teaching for teaching and assessing students?
5. How does this tech align with your school and class mission and vision?
6. What are the challenges you face in online teaching?
7. How did you overcome the challenges of teaching in the new mode (online teaching through using virtual platforms)?
8. How do you solve the technical problems you may encounter in online teaching?

Appendix B: Interview Questions

1. How did you find the EAP teaching experience during the global pandemic?
2. What challenges did you face in online classes?
3. How did you overcome the challenges?
4. Do you want to add any points to what you had already mentioned in the self-reflections essay?
